# CHRISTMAS GIVING PROJECT

## KIDS HELPING KIDS!

### SCHOOL MOBILITY CHALLENGE

**What does a wheelchair mean for a child in need?**

- It allows them to go to school with other children
- They no longer have to be carried everywhere
- It lifts a burden off their parents and caregiver
- Provides mobility in the village, and so much more

**What can ECES do to help during this Christmas season?**

With each \$100 gift from ECES, a wheelchair will be hand delivered to a child or teen in desperate need around the world. Volunteers and seating specialists fit and adapt wheelchairs to ensure the proper fit.

As we collect money for this Christmas giving project through Hope Haven, please keep in mind that our priority for this activity is not necessarily to raise large amounts of money. Rather, we hope to teach our students about God's work in the world, both locally and globally, while encouraging them to play an active part. For more information on Hope Haven's wheelchair projects, go to [www.hopehaven.org](http://www.hopehaven.org)

**Donations will be accepted through Tuesday, December 17. Thank you!**

**“The **EDGERTON FOOD SHELF** and **ATLAS** in Pipestone wish to thank you for abundantly blessing them with food and other items at our Thanksgiving Food Drive!”**

With gratitude to God, ECES gratefully acknowledges receipt of gifts in loving memory of Joanne Talsma.
